BECKWITH'S ANTI-DYSPEPTIC PILLS have been most successfully employed in almost every variety of functional disorder of the atomach, bowels, liver, and spleen; such as heartburn, acid cructationa, nausea, hendache, pain and distension of the atomach and bowels, incipient diarrhosa, colici, jaunduce, flatulency, habitual costiveness, loss of appetite, sick headache, sea-sickness, &c., &c. They are a safe and comfortable aperient for females during pregnancy and subsequent confidement; relieving sickness at the atomach, headache, heartburs and manny of the incidental nervous affections. Literary men, students, and most other persons of sedentary habits, find them very convenient. Those who indulge too freely in the pleasures of the table find speedy relief from the sense of oppression and distension which follow, by taking the pills. As a dinner pill, they are invaluable. Those who are drinking numeral waters, and particularly those from southern climates, ague and fever districts, will find them a valuable adjunct. Those who are exposed to the vicissitudes of weather on voyages or journeys, can take them at all times with perfect safety. In full doses they are a highly efficacious and safe antibilious medicine. They seldom or never produce sickness at the stomach or griping.

There have been many imitations and worthless counterfeit of these pills put in circulation by unprincipled and ignorant persons—the directions, wrappers, &c., of the genuine pills so closely and accurately copied, that the closeat observer could not, without a trial of their effects, distinguish between them.

CIRCULAR. Dr. Beckwith's letter. CAUTION to those who purchase or take BECK-WITH'S anti-dyspeptic pills.

have been extensively counterfeited in various parts of the country, and particularly at New York, and sold at prices much below what the genuine article can be afforded at.

Since the agency of Mr. Henry D. Turner, John street, New York, ceased, on the 14th February, 1844, I have appointed no agents, and now have none in any section, except Dr. T. W. Dyott & Sons, of the Columbian College, Philadelphia. Those, therefore, who wish to purchase or take the genuine pills, must obtain them either of myself, or of those gentlemen, or of persons known to purchase them of one or the other. Dr. Dyott & Sons are enabled by me to sell upon the same terms as I do myself.

JOHN BECKWITH, Late of Raleigh, N. C., Propri Peterseure, June 1, 1845.

Public notice.

It will be seen by Dr. John Beckwith's letter, dated June 1st, 1845, that he has discontinued all seencies on commission for the sale of his (Beckwith's) anti-dyspeptic pills, and has established one principal office, which is at the Columbian College, No. 132 North Second street, Philadelphia, where the public are recommended to apply for the genuine pills.

Protection against counterfeits.

Dr. Beckwith, proprietor of "Beckwith's antidyspeptic pills," having suffered great loes, as well as those who have been in the practice of using his pills being disappointed and their health injured:

It will be seen by Dr. Beckwith's letter of June 1, 1845, that he has sdopted the only safe plan for himself and the public against these misereants, by having placed the sale of his medicine in the hands of one special agent, where every one who wishes to be supplied with the genuine article must apply.

Dr. T. W. Dyott & Sons, of the Columbian College, No. 132 North Second street, Philadelphia, are the only persons appointed to supply the above pills in quantity, as no counterfeit article is permitted in their establishment. Dealers and the public will be safe in supplying themselves as above.

The proprietor of Wright's Indian vegetable pills has discovered that his pills are counterfeited and extensively circulated through the country by persons unauthorized by him.

Dealers in the above pills are therefore respectfully informed that Dr. T. W. Dyott & Sons, of the Columbian College, No. 132 North Second street, Philadelphia, are the only persons authorized by me to sell my pills, in quantity, at the same prices as myself.

Any other persons travelling through the country offering my pills in quantity, and at reduced prices, are assuredly basecounterfeiters, and ought to be rejected as such by every "honest dealer," and it is to be hoped will be, if it to only for the health and the lives of the public.

PROSPECTUS OF THE NEW LIBRARY OF LAW AND EQUITY, under the direc-tion of Francis J. Troubat, esq., of Philadelphia, Hon. Ellis Lewis, of Lancaster; and Wilson Mo-

tion of Francis J. Troubat, esq., of Philadelphia, Hon. Ellis Lewis, of Lancaster; and Wilson McCandless, esq., of Pittsburgh.

This work contains the best productions of English law authors, without regard to priority of claim on the part of any American publisher. Such books are now notoriously too dear. The reason is, that as fast as they appear, they become monopolies in the hands of booksellers in the Atlantic cities. Under the plea of right, acquired by the addition of notes of American decisions, the latter claim an undivided title to those works, and set a burdensome price on them. The publishers of the work now offered to the profession throughout the Union, will not respect such titles, but will reprint the standard British law books as fast as they emanate from the London market. Should new editions of the works of such writers as Starkie, the Chittys, Stephen, and Archbold, appear, they shall also be included; and digests of equity and law decisions—works which have been studiously kept out of the Law Library published at Philadelphia—shall have a place in the proposed new one, together with every new valuable English treatise on chancery or common law.

ELIXER OF CALISAYA BARK.

THIS preparation is particularly recommended to persons of weak habit, and to such as reside in low situations, where the nervous system is, in general, more or less relaxed. The addition of certain ingredients has so completely disguised the tasts of the bark, as to render this efficacious remedy, a most palatable cordial; thus peculiarly adapting it to conquer that repugnance which most persons experience after taking for some time bitter potions, as it combines the greatest efficacy with a highly agree-able flavor. As a preventive of the ague it has superseded the use of all other remedies, in such parts of the country as it is known. Frepared only by J. Milhau, No. 183 Breadway, New York-Price S1 per quart bottle.
